

ROD McDONALD WINES

Mister Pinot Gris

HAWKE'S BAY 2016

Don't be fooled by his look, Mister is a modern Hawke's Bay love story. The love of the grape, the land, the adventure and the road that led you there. Slightly left of centre, Mister is as clever as it is curious, as bold as it is beautiful, dapper in dress-sense only and modern to the core. So, banish the kerchief to your back pocket and settle in. Understated, never. Magnificent, always.

WINERY

After gently pressing, the juice was cool settled and later the clear juice racked to tank for a cool fermentation. All of the above allowed for preserved fruit purity and enhanced aromatics. Post ferment, the wine was left on yeast lees and stirred to add texture and mouthfeel. It was then blended and prepared for bottling.

TASTE

Ripe and nicely perfumed, this wine shows beautiful aromas of pear and honeysuckle with a touch of ginger. The palate is richly textured with a balanced sweetness, crisp acidity and a pleasant long finish.
