

ROD McDONALD WINES

Mister *Sauvignon Blanc*

HAWKE'S BAY 2016

Don't be fooled by his look, Mister is a modern Hawke's Bay love story. The love of the grape, the land, the adventure and the road that led you there. Slightly left of centre, Mister is as clever as it is curious, as bold as it is beautiful, dapper in dress-sense only and modern to the core. So, banish the kerchief to your back pocket and settle in. Understated, never. Magnificent, always.

WINERY

After gently pressing, the juice was cool settled and then the clear juice racked to tank for a cool fermentation. Post ferment, the wine was left on yeast lees and stirred periodically for a few weeks to add texture and mouthfeel. It was then blended and prepared for bottling

TASTE

This highly enjoyable Sauvignon Blanc is filled with nectarine, grapefruit and rockmelon characters with an elegant lime zest lift. The palate is generous and flavoursome with excellent fruit intensity, beautifully structured by juicy acidity. It is long and attractive on the finish.
